Quick Catering Worksheet

Having an informal (last minute) party? Forgot to place an order? Just want to pick up a few things from the Market but short on time? No problem. Give us a call and we'll walk you through what we call Quick Catering— as simple as light hors d'oeuvres or as complex as a three-course dinner with salad, entrée and dessert, stop in the Market and pick up all you need to heat and serve OR let us do it for you. We'll even deliver it.
